

# Rimo paper jogger

## Convenient and practical

The paper joggers are the perfect complement for your finishing equipment. Paper joggers align sheets after printing or separate them before collating to reduce static charges.

**Rimo 4**

**Rimo 3**

Table top paper jogger  
with adjustable stand

The **Rimo 4** table top jogger handles formats up to A4, the larger model **Rimo 3** jogs paper in formats up to A3 and is also available with an adjustable stand. Paper can be inserted lengthwise or crosswise into the Rimo 3. The tilt angle of the jogging table and the jogger vibration are infinitely variable.
